

St Cuthbert's Catholic First School

What is Geography?

Geography is the science of the Earth's surface,
its atmosphere and its features.

Geography informs us about our planet and the world we live in. We learn about different places, the continents and countries as well as the oceans, rivers, deserts and mountains.

What jobs would benefit from the knowledge and skills of a geographer?

- Journalist
- Weather Forecaster
- Landscaper
- Planning Officer
- Environmental Lawyer
 - Farmer
- Travel agent
